Reports from Groups

Book Group

We enjoyed reading "The Scholar" by Dervla McTiernan this month. This was a follow up to "The Ruin" by the same author that we read earlier in the year. Both crime fiction novels set in Galway, feature Cormac Reilly, a member of the police force in Ireland. Murders are committed and the perpetrator is always difficult to pick. We agreed "The Scholar" was a more interesting read than "The Ruin"

Our book for next month is "Cutters End" by Margaret Hickey a local author currently living in Beechworth. This is another crime fiction set in a remote area along the Stuart Hwy SA. It is the first in a trilogy featuring Mark Arita, an acting Inspector from Adelaide, sent to Cutters End to investigate a murder committed 30 years ago.

We send our best wishes to Margaret Cox, who is recovering from a medical procedure at her daughter's in Melbourne. We hope to see Margaret back at Book Group very soon.

Garden Group

Despite the inclement weather, Garden Members met on Wednesday 2st September at Nagambie for a garden visit.

Members went for a tour around the garden and discussed wicking beds, no dig gardening, drainage issues, seed raising and the pros and cons of different plants. After a cuppa and chat, members left with samples of garden produce and plants.

Sending a 'Cheerio' to members who are currently on the sick list and we hope you can join us soon.

Next Meeting: Wednesday 19th October. Details will be forwarded directly to Garden Group Members in the next couple of weeks when final details are confirmed.

Just Ukes

New members are always welcomed. It doesn't matter if you can't play as we will help you to learn. Bring your own uke, if you have one.

Luncheon Club

The weeks and months are flying past so quickly, that I missed the September noticeboard.

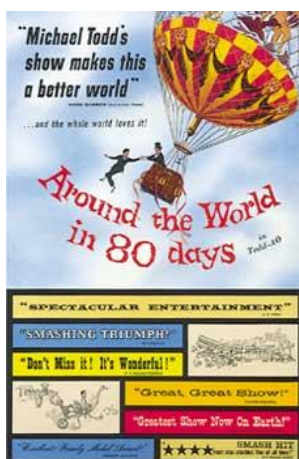

On August 11th 11 members of the group met at Little Stones Café in the Mall for a very enjoyable lunch. It was great to welcome Judy and Phil Block back after they had had some time away. Also welcome to Joan Furletti as a new member to the group.

On 8th September 10 members of the group met at the Seven Creeks Hotel at Euroa, always a popular choice, even though it was a very wet, cold and miserable day. The Beef and Guinness Pie is always a very popular choice for members and certainly warmed all those who ordered it. It was also great to welcome Margaret Locke back, and Jean Chamley as a guest at this luncheon. A very merry, enjoyable and talkative time was had by all. Many thanks to Margaret Crispe for being our organizer for September.

Judy Macdonald is organizer for October and I will send out the information to members later in the month.

Thursday Matinee

The next film is "Around the World in 80 Days."

Around the World in 80 Days is a 1956 American epic adventure-comedy film starring David Niven, Cantinflas, Robert Newton and Shirley MacLaine, produced by the Michael Todd Company and released by United Artists. The epic picture was directed by Michael Anderson and produced by Mike Todd, with Kevin McClory and William Cameron Menzies as associate producers. The screenplay, based on the classic 1873 novel of the same name by Jules Verne, was written by James Poe, John Farrow, and S.J. Perelman. The music score was composed by Victor Young, and the Todd-AO 70 mm cinematography (shot in Technicolor) was by Lionel Lindon. The film's six-minute-long animated title sequence, shown at the end of the film, was created by award-winning designer Saul Bass.

Travellers

The September outing was cancelled due to the unexpected declaration of a Public Holiday.

October 27th Excursion – Bus Trip

Ziebell's Homestead

Cost: \$35.00 for bus, \$7.50 (cash only on the day) for Morning Tea.

Westgarthtown is an historic dairy farming settlement sixteen kilometres north of Melbourne established in 1850 by German and Wendish immigrants. Although now located within the residential suburbs of Thomastown and Lalor in the City of Whittlesea, many of Westgarthtown's outstanding bluestone heritage buildings and structures still survive. These include Ziebell Farmhouse (c.1850-51), Victoria's oldest German immigrant building, a picturesque Lutheran Cemetery (1850); and Australia's oldest operating Lutheran Church (1856).
