NOTICEBOARD

July 2024

President's Message

Not available this month as the temptations of the warmth of the north have proven to be more tantalising.

Please note that the timetable for Semester 2, is included at the end of this Notice Board.

Reports from Groups

Garden Group

At 10.30am on Wednesday 19th June a few hardy Garden Group members met to car pool to Shepparton to visit plant nurseries. Members enjoyed a hot coffee at the nearby café preceding our plant and pot hunting at Riverside Gardens and Pot Werx, Shepparton. Lunch was enjoyed at Shepparton Art Museum overlooking the lake before we explored plants at Gardens on Archer and then headed for home with our treasures.

Given that there are a few members sick, or are going on holidays over the next month, it was decided that our next meeting will be on the 21st August.

Members will be advised of meeting details directly, closer to the date.

Keep in mind that, even though it's lovely to hibernate through the winter months, the more maintenance one can do in the garden during this time, the more will be the untold benefits reaped in the Spring.

Pam

Local Current Affairs

This class has gone into recess so no classes in the second Semester. One of the great things that has happened in Seymour recently is the \$15,000,000 grant the Mitchell Shire Council has received to build the first stage of the Community Hub (opposite IGA). Seize the opportunity to make your views heard via the MSC website or speak to a representative at the Seymour Market or the Library.

Luncheon Club

On 13th June a large group of members met at The Shed, Trawool for a delicious lunch. There was much discussion and laughter during this time. Thank you to Ginny and John for hosting. Also, a big thank you to the staff at The Shed for opening for us and then for their help in looking for missing keys, when one member arrived home and couldn't find them. They were eventually found, to the relief of all who were looking for them. (It was a cold

day to be locked outside.) Many thanks to Judy and Don for offering to host July's lunch - where to be advised.

Hope you are all keeping warm,
Margaret

Walk & Wonder

Walk and Wonder will be taking a step outside the usual orbit on Tuesday 16th July, with a trip to the NGV, National Gallery of Victoria, a gem among galleries. We will go down on the train and walk across the bridge, to view the exhibition of Africa Fashion, which celebrates the creativity, ingenuity, and global impact of contemporary African fashions from the mid-twentieth century to the present day, have a delightful lunch in the Tea Room, and then further amazement at the Pharaoh exhibition, a landmark exhibition that celebrates three thousand years of ancient Egyptian art and culture. This will be a big day out, but full of wonder. Want to come? Contact me on 0428 339 989.

Your Fascinating Brain

Whilst Irene is away Grahame Sharples (0409 411 748) & Ian Anderson (0409 826 974) will be keeping this class running. They are planning to discuss Artificial Intelligence at the next class on Tuesday 25th June. Please contact either one of them if you would like to attend.
